Commissioner for Patents

The amendment filed 15 January 2004 is not fully compliant with the provisions of revised 37 CFR 1.121. Specifically, the status of claims 37-82, which are withdrawn from consideration, is incorrectly indicated as "Previously Presented" or "Original" in the claim listing. As the amendment filed appears to be a bona fide attempt to comply with the rules, applicant is given ONE MONTH to respond to this letter by filing a fully compliant claim listing.

All amendments received by the Office on or after July 30, 2003 must be in compliance with the rules as required by the Revised Amendment Practice. If an amendment is received as a preliminary amendment or as a bona fide reply under 37 CFR 1.111, that has compliant amendments to one or more separate section(s), but also includes one, or more, separate section(s) with non-compliant amendments, the Office will mail a Notice of Non-Compliant Amendment requiring correction to the non-compliant section(s) within a time period set by the Office. When making corrections, applicant should just resubmit the needed corrected section(s), and correspondingly, should not resubmit the entire amendment document.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel M Sullivan whose telephone number is 571-272-0779. The examiner can normally be reached on Monday through Friday 8-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Remy Yucel, Ph.D. can be reached on 571-272-0781. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
